

## Cookie Policy

Our website, <https://chilebabies.com/>, uses cookies. Cookies are small data files that are transferred to your computer when you access the site. Cookies are stored with the files used by your browser. Some of them are used only for the duration of the session, while others are used for longer periods.

Cookies can be divided into four categories: essential, functional, analytical, and marketing. Some cookies are necessary for the technical functioning of the site. These cookies do not collect information about the user that could be used for marketing or analytical purposes. Cookies allow us to analyze how <https://chilebabies.com/> is used and monitor its performance so that we can provide a better user experience.

In addition to the cookies used by Chile Babies, some cookies are hosted by third parties (such as Google Analytics, Facebook Pixel, or Yandex. Metrica). This is discussed below.

We use the following types of cookies:

- **Essential:** Necessary for the operation of our site, such as allowing you to log in to secure areas of the website and use the logout feature.
- **Functional:** Store information about your country and use for certain features of our website to help us make it work better. For example, they help make it easier for users to find information.
- **Tracking:** Used for tracking purposes as part of marketing campaigns. We record your visit to the website, the pages you visit, and the links you follow. We use this information to make the website and the advertisements displayed on the website more relevant to your interests.
- **Third Parties:** Allow our website to interact with various other websites that may provide useful information.

By accessing the website at <https://chilebabies.com/>, you consent to the use of these cookies.

Please note that third parties (including advertising networks and providers of third-party services such as web traffic analysis) may also use cookies - analytics, transactional, and targeting cookies.

You may refuse to accept all or some cookies by modifying your browser settings. However, if you block all cookies (including essential cookies) in this way, you may not be able to access all or parts of our website, or certain components of the website may not function properly.

All cookies, except essential cookies, are valid for 30 days.

Many browsers have a private browsing mode that automatically deletes cookies after you leave the website.
